

Annual Report

Membership Committee

Accomplishments: 2014-2015

- Implemented a method of tracking attendance at monthly meetings.
- Created a membership list, which is made available on the Staff Senate Collab site and updated regularly.
- Created a welcome packet that was distributed to new senators and alternates as they were elected.
- Partnered with University Human Resources to plan annual August luncheon that serves to thank outgoing members and welcome new members.

Looking Ahead

- Continue to track attendance at monthly meetings, maintain an accurate membership list and distribute welcome packets.
- Conduct further research into the feasibility and practicality of establishing a Staff Senate mentorship program.
- Help Staff Senate take a more proactive approach to recruiting new members. This would likely involve collaboration with the Communications Committee and possibly others as well.
- Encourage Senate members to share information about Staff Senate with constituents, and to post photos and bios on the website so constituents can more easily learn who their representatives are.
- Explore the idea of organizing a Staff Senate photo.
